Pinups! Cheesecake! Beefcake! During Hollywood's heyday, movie-star stills were cranked out by the hundreds, published in magazines and newspapers and mailed to eager fans. They were collected in scrapbooks, pasted on walls, in garages, barracks, dorms and behind locker-room doors. They shaped our standards of glamour, seduction and sex appeal that linger to this day.

Now, for the first time, Delilah presents classic photo images from the world-famous Kobal Collection in two Hollywood Classic calendars.
